

A postdoctoral fellowship position is available in the area of tumor immunology. The position is in the laboratory of Prof. Susanna Mandruzzato, IOV-IRCCS Department of Immunology and Molecular Oncology and University of Padova, Department of Surgery, Oncology and Gastroenterology, Padova, Italy.

Candidates are sought to join a basic and translational research program focused on the mechanisms of immune suppression induced by myeloid cells in the tumor microenvironment and in the blood of glioma patients.

Experience Required:

Candidates must have a Ph.D. or M.D. degree and less than five years of postdoctoral experience. Applicants with a strong background in human tumor immunology and multiparametric flow cytometry are encouraged to apply.

Interested candidates should send a curriculum vitae, statement of research background and interests to Susanna Mandruzzato at [susanna.mandruzzato@unipd.it](mailto:susanna.mandruzzato@unipd.it)
